## WILLARD ANNOUNCES AS CANDIDATE FOR LEGISLATURE

J. Jay Willard of Bethel announces his candidacy for the Republican nomination to the Maine Legislature, representing the towns of Andover, Bethel, Byron, Gilead, Greenwood, Hanover, Newry, Roxbury, Stoneham, Upton, Lincoln and Magalloway Plantations. This sent is currently held by Rep. E. Louise Lincoln, Bethel, who has announced her candidacy for the State Senate.

J. Jay Willard

## COMMENTS FROM THE OFFICE OF THE TOWN MANAGER

The annual town meeting will start at 10 a. m., Monday, March 6, at the Fire Station. Election of a moderator is the first article to be disposed of. After that election of officers will take place until 6 p. m. The meeting will then adjourn until 8:00 p. m. when it will reconvene in the auditorium at Telstar Regional High School.

There are two items in the warrant that may be considered other than routine. One is to see if the town will authorize the Selectmen to borrow money to purchase highway equipment. The other is to see if the town will vote to establish a temporary user fee for sewers. The former item results mainly from the large sum needed to purchase a loader. The latter is in lieu of other requests that would be needed to maintain sewers and to establish a fund that must be provided for costs incurred operating the new sewage disposal plant until it becomes revenue producing.

Elwyn Dickey

## ANNUAL BETHEL ELECTION —TOWN MEETING, MARCH 6

The polls will be open for balloting in Bethel's annual municipal election at the fire station from 10 o'clock Monday morning, March 6, until 6 o'clock in the evening. Bethel voters will cast ballots for selectmen/assessors, two members of the S. A. D. 44 board of directors, and fire ward.

Maurice Roy and incumbent Avery Angevine, are unopposed for three year terms on the board of selectmen/assessors.

Seeking election to the two vacancies on the S. A. D. 44 board of directors are Dan Manson, Harold E. Rolfe, Dale Thurston and Miss Margaret Joy Tibbetts. Mr. Thurston is seeking re-election to a second three year term on the panel.

Robert Davis is unopposed as a candidate for the position of fire ward.

The business portion of the meeting will be held at the Telstar Regional High School Auditorium beginning at 8 o'clock Monday evening. (Specimen ballot, page 6; warrant, page 7.)

## LOWER MAIN ST. LANDMARK DESTROYED IN EARLY-MORNING FIRE ON TUESDAY

An early morning fire on Tuesday of this week destroyed the two and a half story structure on Bethel's lower Main Street adjacent to the railroad tracks. Also lost were possessions of the Children's Dance Theater operated by Susan Farrar, who had started using the premises on Monday of this week.

Lately the site of the Hearsthouse, a furniture store, the century-old building had in earlier years been the location of a grain store, and later Charles E. Merrill operated a retail lumber business at the location. Davis Building Supply occupied the quarters immediately preceding the furniture store.

Above are two views of the destroyed building. One showing the ruins from the Main Street side, and the other the proximity of the oil storage tanks.

The Bethel Fire Department responded to an alarm sounded at 1:10 a. m. and an hour later the fast-moving fire had virtually destroyed the structure. It was reported that the blaze was discovered by the driver of a Nissan baking company truck who sounded his horn alerting the neighborhood to the fire. Loss has reportedly been estimated at \$10,000.

Oil storage tanks of Lake Oil Co. located about 50 feet to the rear of the building were a source of concern for sometime because of danger incurred by the fire's intense heat.

## S. A. D. 44 DIRECTORS TO MEET TUESDAY EVENING, MARCH 7

The regular meeting of the S. A. D. 44 board of directors will be held at Telstar Regional High School at 7:30 next Tuesday evening, March 7. Regularly scheduled for March 6 the meeting was postponed because of conflict with town meetings in several member municipalities.

Newly elected or re-elected board members are requested to meet at 7 o'clock with the new superintendant, David E. Kinsley, in the Lecture Hall.

Included on the meeting's agenda will be the election of a board chairman and vice chairman for the ensuing year as well as action on a

## ELEMENTARY SCIENCE WORKSHOP TO BE HELD AT UMF CAMPUS, JULY 3-23

A four-week workshop in elementary science for teachers and administrators in the Rockland, Farmington, Bethel and Thomaston areas will be held at the University of Maine at Farmington campus this summer.

The workshop, which will be funded through a National Science Foundation grant, will be open to elementary teachers and principals of School Administrative Districts 5, 9, 41 and 50. It will be conducted from July 3 to July 23.

The workshop is designed to teach recently-developed elementary science curricula and to assist other teachers within their building with the new programs.

Those completing the program will earn six hours of credit. Commuting participants will be paid \$60 per week and resident participants will receive \$75 per week, plus dependent allowances.

Dr. Stephen F. Godomsky, project director, said those interested should send applications to him at Franklin Hall, University of Maine at Farmington, Farmington, Maine 04923.

## LYRICAL NATURE FILM TO BE SHOWN AT GOULD MARCH 6

Martin Meltz will present "O Ye Daisies" in Bingham Auditorium, Gould Academy on Monday evening, March 6, 7:30 p. m. "O Ye Daisies" is a 36-minute, lyrical nature film of the shores of Monhegan Island. It is set to music by Maine's very popular folksinger, Gordon Bok. The film is intended as a visual poem and intimate meditation of the moods of a typical Maine coastal shore, of tidal pool life, gulls, and patterns of ocean movements. The furors of CINE (the U. S. Government agency for international film festivals) called it photographically "superb" and musically "excellent".

The public is cordially invited.

## BIRTHDAY CALENDAR DRIVE PLANNED BY BETHEL FIRE DEPT.

Members of the Bethel Volunteer Fire Department will be knocking at doors around town to tell people about the publication of their first year community birthday calendar.

The birthday calendar will list schedules of different activities, meeting dates of organizations in town and names, birthdays and anniversaries of Greater Bethel residents.

Fire Department volunteers are forming into various committees for gaining necessary information about clubs, churches, personal dates and contacting local merchants for advertisements.

Chief Carver said the birthday calendar idea is a good one and the Department hopes to make this campaign interesting and successful so that it can be adopted and continued on a yearly basis.

If by chance you are overlooked, make sure to call Chief Carver or any one of the volunteers to get your birthday and/or anniversary on the calendar.

A free calendar will be sent to members of your family in the service if his/her address is enclosed.

## MARCH IS RED CROSS MONTH

The Red Cross helps in many ways a few of the services are—blood donation programs, helping to collect nearly half of the nation's blood supply. Recent developments show that blood from voluntary donors is the safest available. Rehabilitation programs for drug addicts. Red Cross is responsible for disaster relief programs. Recent examples are aid to victims of the destructive earthquakes in Peru and the cyclone that hit Pakistan.

Because of its unique character the Red Cross can generally cross national boundaries even in times of conflict and help. Help in locating servicemen and getting them home in time of family crisis, etc. Teaching our local youngsters how to swim safely and teaching first aid.

Volunteers will be soliciting the next two weeks—hoping for general contributions—people helping people.

Volunteers: Mrs. Phillip Chadbourne, Mrs. E. Brown, Mrs. B. Benson, Mrs. E. Vachon, Mrs. E. Egan, Mrs. G. Scribner, Mrs. B. Egan, Mrs. David Thompson, Mrs. L. Egan, Mrs. Valentine, Mrs. A. Lee, Mrs. Charles Keoskie, Mrs. F. Berge, Mrs. A. Grover, Mrs. R. Stearns, Mrs. F. Vogt, Mrs. M. Wheel-

## GREENWOOD CITY

— Mrs. Colista Morgan, Corres. —

When our big storm-tossed died away and I looked at the hushed forests towering above one another on the slopes of the hills, I set out on snowshoes. As I gazed, the so-called ruin of the storm was forgotten.

The snow was soft and fluffy, deep, too, with no crunch today and the traveling was not too easy. However, I crossed the Sanborn River and entered the forest where some of the big trees pressed close together in beautiful lines, showing their grandeur from the ground to their domed heads in the sky. In one clump two outer white birches bent in arches to the ground while seven between stood soldier-like.

At first had no special destination and the outside world seemed to fade away.

As I dipped down to cross a brook I heard it singing with solemn enthusiasm. Just beyond stood an ancient boulder. How restfully cool it was here as I sat on a log by its side and how delightful the water music.

The sun looked cheerily down the openings in the forest roof gliding past the boulder and glinting on the snow. The shadow beauty multiplied as it moved softly as if afraid of noise. Now I decided to follow the ridge which made gradual ascent to the south until I came to the cliff I promised myself last fall I'd visit. I made a series of zigzags among trees loaded with fluffy white and which shimmered with indescribable loveliness. Occasionally snow flowers came down glinting, swaying, and settling silently on me so soft and downy.

Directly ahead now a tall pine stood against the blue-white of the sky while sun bathed it in gold from the low snowy green to the topmost needles.

The breezes whispered low and I stood to enjoy this untrodden wilderness. With my cliff still ahead and I knew not how far, I went on. I came to a place where I could look through easily to the pond beyond so I knew I had finally arrived. Two hours had vanished which didn't seem possible.

An aged birch, standing a little forward with knotty arms outspread was covered with gray lichens. It was surrounded by young growth.

I could look down on the pond, the valley and the trees below. Looking up from this summit rock I saw a growth of clouds and I could hear the wind beginning to rise. Everything seemed radiant with freshness.

I took a few pictures and retraced my steps toward home leaving my first general view from the cliff to its solitude of snow and rocks lonely and mysterious.

It was much easier returning and in spite of the falling snow shaken from the trees by the wind I enjoyed it fully.

Recessing my brook, curling and twisting in its hidden channel I caught only a moment to hear the catclaw laughing and the chickadees call then I continued. Now I crossed again the wind sculptured granite pond while around it the mountains slept.

Mr. and Mrs. Nelson Cartright entertained their son, Todd, and his family at their Fire Station cottage over the week end.

**LETTER TO THE EDITOR**  
 To the Editor:  
 I would like to announce that I am seeking election to the Board of Directors of MWAD 41 as a representative for the town of Bethel.

I do not wish to be only critical of the existing system, but to contribute to its continued growth and improvement. A majority of our children are in the elementary grades. Their problems deserve equal consideration with those of Junior and high school. With a child in each of the three Bethel schools I have been made aware of existing conditions.

The forming of the District, the building of Bethel and its surrounding program and the economies in the school budget accumulated by sharply rising costs have forced a reorganization of action at the elementary level. We must now take action on these problems. This can be done without greatly increasing costs by careful long range planning along with problems before they become crises and the action support of interested people.

I have attended a number of school board meetings as an interested citizen both to express my concerns and to follow the work of the school board on the development of the budget. I feel that I can make a useful contribution to the District.

Very truly yours,  
 Des W. Mansen

**LETTER TO THE EDITOR**  
 To the Editor:  
 I would like to announce that I am seeking election to the Board of Directors of MWAD 41 as a representative for the town of Bethel.

I do not wish to be only critical of the existing system, but to contribute to its continued growth and improvement. A majority of our children are in the elementary grades. Their problems deserve equal consideration with those of Junior and high school. With a child in each of the three Bethel schools I have been made aware of existing conditions.

The forming of the District, the building of Bethel and its surrounding program and the economies in the school budget accumulated by sharply rising costs have forced a reorganization of action at the elementary level. We must now take action on these problems. This can be done without greatly increasing costs by careful long range planning along with problems before they become crises and the action support of interested people.

I have attended a number of school board meetings as an interested citizen both to express my concerns and to follow the work of the school board on the development of the budget. I feel that I can make a useful contribution to the District.

Very truly yours,  
 Des W. Mansen

They visited a few minutes with us and Pamela in conjunction with her mother, Mrs. Sitout, told us of the work being done in "The Hole" in South Paris along the disturbed line. ## CUB SCOUTING

We're underway! At a meeting held this past Monday evening the planning committee assigned the boys to various Dens. The following is a listing of these assignments plus other information:

Den #1: Den Mother: Mrs. Beverly Corriveau. Meeting date: Every Tuesday. Meeting place: Mrs. Corriveau's home in Gilead. Members of the Den: Fernand Corriveau, Roger Corriveau, Jody Shimamura, Timothy Wheeler, Russell Merrill.

Den #2: Den Mother: Mrs. Juanita Korhonen. Meeting date, every Tuesday. Meeting time, when the bus arrives after school. Meeting place, Mrs. Korhonen's home in Newry. Members of the Den: David Korhonen, Alan Korhonen, Edwark Yates, Alan Fleet, Joe Gnuender, Peter Morton, Jock Morton.

Den #3: Den Mother: Mrs. Lorraine Coulombe. Meeting date, every Monday. Meeting time, when the bus arrives after school. Meeting place, Mrs. Coulombe's home on Paradise Hill. Members of the Den: Timmy Kersey, Ken Howard, Brian Blake, Danny Coulombe, Kevin Gould, Robert James, Richard James.

Webelos: Webelos Master, Hugh Chapman. Meeting date, every Monday. Meeting time, directly after school. Meeting place, Methodist Church. Webelos members: Cavenough Kelly, Tony Butters, David Taylor, Doug Wilson, Ken Davis.

The committee agreed that 10 cents dues per meeting would be a fair amount to charge. It is hoped that the parents would allow their boys to "earn" this amount by doing odd jobs around the house or be taken out of allowance money. This money will be used to renew future members plus a subscription to "Boy's Life" magazine.

Although the Dens will be meeting on a weekly basis, the Pack Meetings will be held on the first Monday of each month at 7:00. We will gather at the Methodist Church — that's right, WE — the success of the program depends a great deal on the support of the parents. The Pack meetings are not only for the kids, but also for the adults. Please make an effort to save Monday evenings for Cub Scouting! Our first Pack Meeting will be in April.

We have two new members to the organization: Mrs. Lorraine Coulombe will act as a Den Mother, and Chester Herrick will join the Committee. Thanks for helping us out!

If you should have some old uniforms around we certainly could make good use of them — give Joe Shimamura a call and he'll pick them up. Thanks a lot!

## DEAR DANCERS —

At this point I don't know it will be possible but somehow we will start work on "Mary Poppins" next week. So don't worry we will work it out. "Carnival of Animals" will be held on Wednesday as planned. Thanks for your calls and help. My sincere thanks to the fire department for their attempts to save my beautiful new studio.
